## **RISE21 COVID Safety Code of Conduct**

1. All attending or otherwise participating in RISE21 adhere to the RISE21 COVID Safety Code of Conduct by demonstrating responsibility, respect, courtesy, and civility when dealing with COVID safety issues, as described below.
2. All understand and accept NADCP's obligation to establish protocol to mitigate COVID risk at RISE21 for both the vaccinated and unvaccinated.
3. All demonstrate responsibility and civility by abiding by all stipulations, including those requiring that masks be worn whenever indoors by all, regardless of vaccination status, and encourage social distancing.
4. All avoid asking about others vaccination status or reasons for being unvaccinated.
5. All communicate courteously their desire to socially distance from others at RISE21 even while masked.
6. All respect and abide by the request of anyone at RISE21 who expresses or signals a preference to socially distance even while masked.
