

NADCP RISE FILM FESTIVAL

The RISE Film Festival is held during NADCP's RISE, the world's largest conference on addiction, mental health, veterans, and justice reform. The RFF screens new films, both documentary and narrative, before they become available in wide release. We showcase films focused on the justice system, addiction recovery, mental health, and military veterans that take an unflinching look at humanity, amplify voices needing a platform, and drive change.

July 25-28, 2022 | Nashville, TN
